WORK EXPERIENCE

Capgemini — Berlin, Germany
Student Consultant – Professional Year — 09/2025 – 07/2026

- Progressed from operational support to owning the coordination and strategic framing of all Public Administration internal activities within the Global Public Sector industry.
- Support EU Security, Justice and Defence business development, contributing to opportunity identification, pipeline development and client positioning across EU institutions and agencies (incl. Munich Security Conference 2026).
- Lead EU-level analysis and engagement on Digital Public Infrastructure (DPI), with a focus on digital identity frameworks, EU Digital Identity Wallet (EUDI Wallet), interoperability and trust services.
- Pilot the creation and maintenance of an internal EU Security & Defence knowledge page, shared with 8+ EU clients, consolidating policy developments, opportunities, credentials and strategic insights.
- Assist CEO, EVPs, VPs and bid teams through credentialing, tailored inputs and contributions to high-quality, competitive EU proposals, in close coordination with international teams.

Working Student in Global Public Sector — 02/2025 – 08/2025

- Facilitate Global Public Sector – Public Administration Segment activities, preparing and moderating monthly and weekly meetings and country roundtables with 15+ countries worldwide.
- Conduct targeted market, policy and stakeholder intelligence on EU Directorates-General and Agencies, analysing decision-makers, funding mechanisms and competitors to identify strategic opportunities.
- Foster client engagement by sharing credentials at both local and global levels, assisting account executives, and contributing to thought leadership development.

ACADEMIC PROJECTS

Bocconi University — Milan, Italy
Student Assistant — 10/2022 – 12/2022

- Developed a comprehensive action plan to address child poverty in Milan, as part of the Management of Government Organizations course, within framework of "*QuBi*" (400+ organizations involved).
- Conducted in-depth analysis of social and economic factors contributing to child poverty, proposing targeted strategies for network development (20+ already active) and resource allocation.

VOLUNTEERING

ONE Campaign Italy
Youth Ambassador 02/2022 – 01/2024

- Engaged in 20+ lobby activities with top-level Italian politicians (former and current members of the Italian Parliament and Government) to achieve interstate cooperation on international initiatives.
- Crafted 30+ communication campaign targeted to civil society, general public and key political actors in Italy.
- Involved in 5+ workshops in effective communication for advocacy and media interactions to increase awareness on ONE Campaign goals to end extreme poverty and preventable diseases, and fair climate finance.

EXTRACURRICULAR ACTIVITIES

FuturEU Initiative Berlin, Germany
Management Team Member - Logistics Division 09/2025 – 08/2026

- Promoting discussions for students across 10+ universities in the CIVICA Alliance to rethink EU defence and security, and taking care of all logistics aspects of the competition.

Management Team Member - Outreach Division 09/2024 – 08/2025

- Fostering partnerships with 10+ universities in the CIVICA Alliance to enhance EU competitiveness discussions, and designing 10+ outreach materials to effectively engage diverse audiences.

European Public Policy Conference Berlin, Germany – Brussels, Belgium
Content Team Member 09/2024 – 04/2025

- Crafted a conference agenda, curating 10+ panel discussions, workshops, and thematic sessions focused on critical issues in EU migration policy.
- Contributed to secure high-profile speakers, including policymakers, academics, and industry experts, to deliver diverse perspectives for an audience of 100+ attendees.
- Facilitated teamwork and idea-sharing both at team (10+ members) and organizational level (30+ members), contributing to the conference planning.

Eastwest European Institute Brussels, Belgium
Model European Union 09/2023 – 11/2023

- Selected to represent Poland in a simulated European Parliament session, collaborating with 60+ delegates to develop and present proposals.
- Led efforts to refine a proposal approved by the assembly and earned the Best Delegate Award for contributions.
